Top 4: Notes and ideas

- MINT Party:
 - Physics and Mechanical Engineering from Duisburg as well as Medicine from Essen are going to join the MINT party committee.
 - The next party will most likely take place on April 22, 2016.
- Stammtisch:
 - The next party is going to take place on March 17 at the 'Kleine Krone'.
- Water Science student evaluation:
 - We discuss an evaluation sheet for Water Science student containing questions like "How can we reach you?" and "What do you want us to do?"
 - The best option would be mailing all students a link to a digital survey.
- Improvement of our course of studies:
 - The given mathematical and physical tasks should be more related to practice.

Top 5: To-Dos

- The presidents have to rework our ordinance.
- The organizers have to invite to our upcoming Stammtisch.
- A pennant has to be designed and ordered for the next Stammtisch.
- The Water Science evaluation has to be completed until the beginning of the next semester (RP and OFFICERs)
- The deposit has to be taken away until our next meeting.
