Next meeting: July

Top 1: FSK and FKR

- ◆ Due to illness FSK could not be attended.
- ◆ Indra is going to stand in and replace Astrid in the FKR election.

Top 2: Events

- ◆ “Water Action Day”:
 - Anil, Joey and Carina are in charge of this project.
 - The members of the Fachschaftsrat agree, that the “Water Action Day” should be combined with the MINT-PARTY on November 6. Filling out a feedback survey regarding the “Water Action Day” could give the participant a benefit on the party.
 - Short lectures will provide theoretical background for related workshops or discussions.
 - The Water Action Day needs to be promoted and announced on a large scale to become a success.
 - The event should take place from around 2 pm to 6 pm.

- ◆ O-Woche (Orientation week):
 - Indra and Jarno are in charge of this project.
 - The O-Woche is set on October 12 to October 16 with a information presentation by Schmidt on Wednesday from 12pm to 2 pm.
 - Indra says the Fachschaftsrat Chemistry wants to cooperate with us within the Orientation Week. We consider a combined BBQ with a Flunkyball competition between the Wa.Sc. Ersties and the Chemistry Ersties as well as between the Wa.Sc. Fachschaftsrat and the Chemistry Fachschaftsrat. The winners get a trophy.

Top 3: Any other business

- ◆ Indra tells about the current status of the Chemistry & Water Science Summer Festival. The event is planned for July 10.
- ◆ We still need some students to join the Stauder brewery tour, yet due to a broken leg of the brewery guide the tour might get canceled.
- ◆ The maximum capacity of the Garbeck residence is 35 people.

Top 4: To-Dos

- ◆ Lea is going to ask Mrs Marreck for Windows Office and print-out paper.
- ◆ Profs has to be informed regarding the "Water Action Day"
- ◆ Carina has to call the Stauder brewery due to our planned tour.
